

STEWART RAHR

Stewart Rahr is the President, CEO and sole owner of Kinray. Kinray is the largest privately-held pharmaceutical/generic distributor in the world. Mr. Rahr enjoys spending time with his family and treats his employees as if they are his family as well. Mr. Rahr is also an avid golfer and regularly golfs with Phil Mickelson, Donald Trump, Justin Timberlake and golf legends Arnold Palmer and Jack Nicklaus. A self-made man, Mr. Rahr is listed #227 in the March 2009 issue of Forbes Richest Americans, but has never lost touch with his roots. He knows many of his employees by first name and is always ready to offer assistance to those in need.

The “overnight success” that Mr. Rahr enjoys has taken thirty-five years and dates back to the year that he took over the reins of the Kinray Pharmacy from his father, Joseph. At that time the pharmacy had just five employees and less than \$1 million in sales. The company now employs over 1000 and annual revenue is \$5 Billion.

While Mr. Rahr is known for his incredible business success, he has also made quite a name for himself with his loyal and generous contributions to numerous charities. His huge devotion to philanthropy has benefitted hundreds of organizations such as: The Robin Hood Foundation, The Columbia University Medical Center, The Shriners Childrens Hospital, The NYU Medical Center, The Parkinson’s Foundation, The Buoniconti Fund, The Isreali Defense Force, The Alzheimer’s Association, The Christopher Reeves Coalition, The Muhammed Ali Parkinsons Foundation, The Arnold Palmer Hospital for Children and Women and Babies, The George Lopez National Kidney Foundation of Southern California, The Breast Cancer Society, The Skin Cancer Foundation, The Rainforest Foundation, Hope for Haiti, American Fallen Soldiers, Big Brothers & Big Sisters, Long Island University, Michael Jordan Flight School, Wade’s World Foundation, Elizabeth Glaser Pediatric and countless others, including many affiliated with September 11th. (Mr. Rahr purchased “Firefighters At Ground Zero,” the “original” and only signed photograph of the three New York City firefighters raising the flag at the World Trade Center site with all proceeds donated to a fund for those injured or killed on September 11th.)

Mr. Rahr relentlessly pursues any cause that touches his heart offering assistance to help those in need in any way possible as is evidenced by his involvement with The Make a Wish Foundation - which grants wishes to children with life-threatening illness. Mr. Rahr serves on the Board of Directors of the foundation. To date, Mr. Rahr is the largest donor in the history of Make-A-Wish. He is responsible for making countless dreams come true for the ‘Make a Wish’ children. There is no end to Mr. Rahr’s success or his generosity.
